who were desperate**

Integrated approach – Faith Garden + Backyard Poultry + Rain Water Harvesting + Gravity Drip

FAITH Garden brought the smile back.

FG is Kool !!

Training is demonstrating simple steps others can 'copy and paste'

Plastic lined rain water tank

Tarpaulin lined fish pond

Hands onon the field....on the go

the result will speak for itself

F.A.I.T.H Garden= Sustainable

Simple steps that lead to self supported groups. Poultry farms, fisheries, Rice Mill, etc

Unbelievable ! Soil preparation lasts 1 year !
Easily reproducible, even children can do !

Backyard Odourless poultry

Rice hull / Saw dust, Neem leaves, Ash, Lime powder , Clean water

Nutrition on your doorstep /Roof top

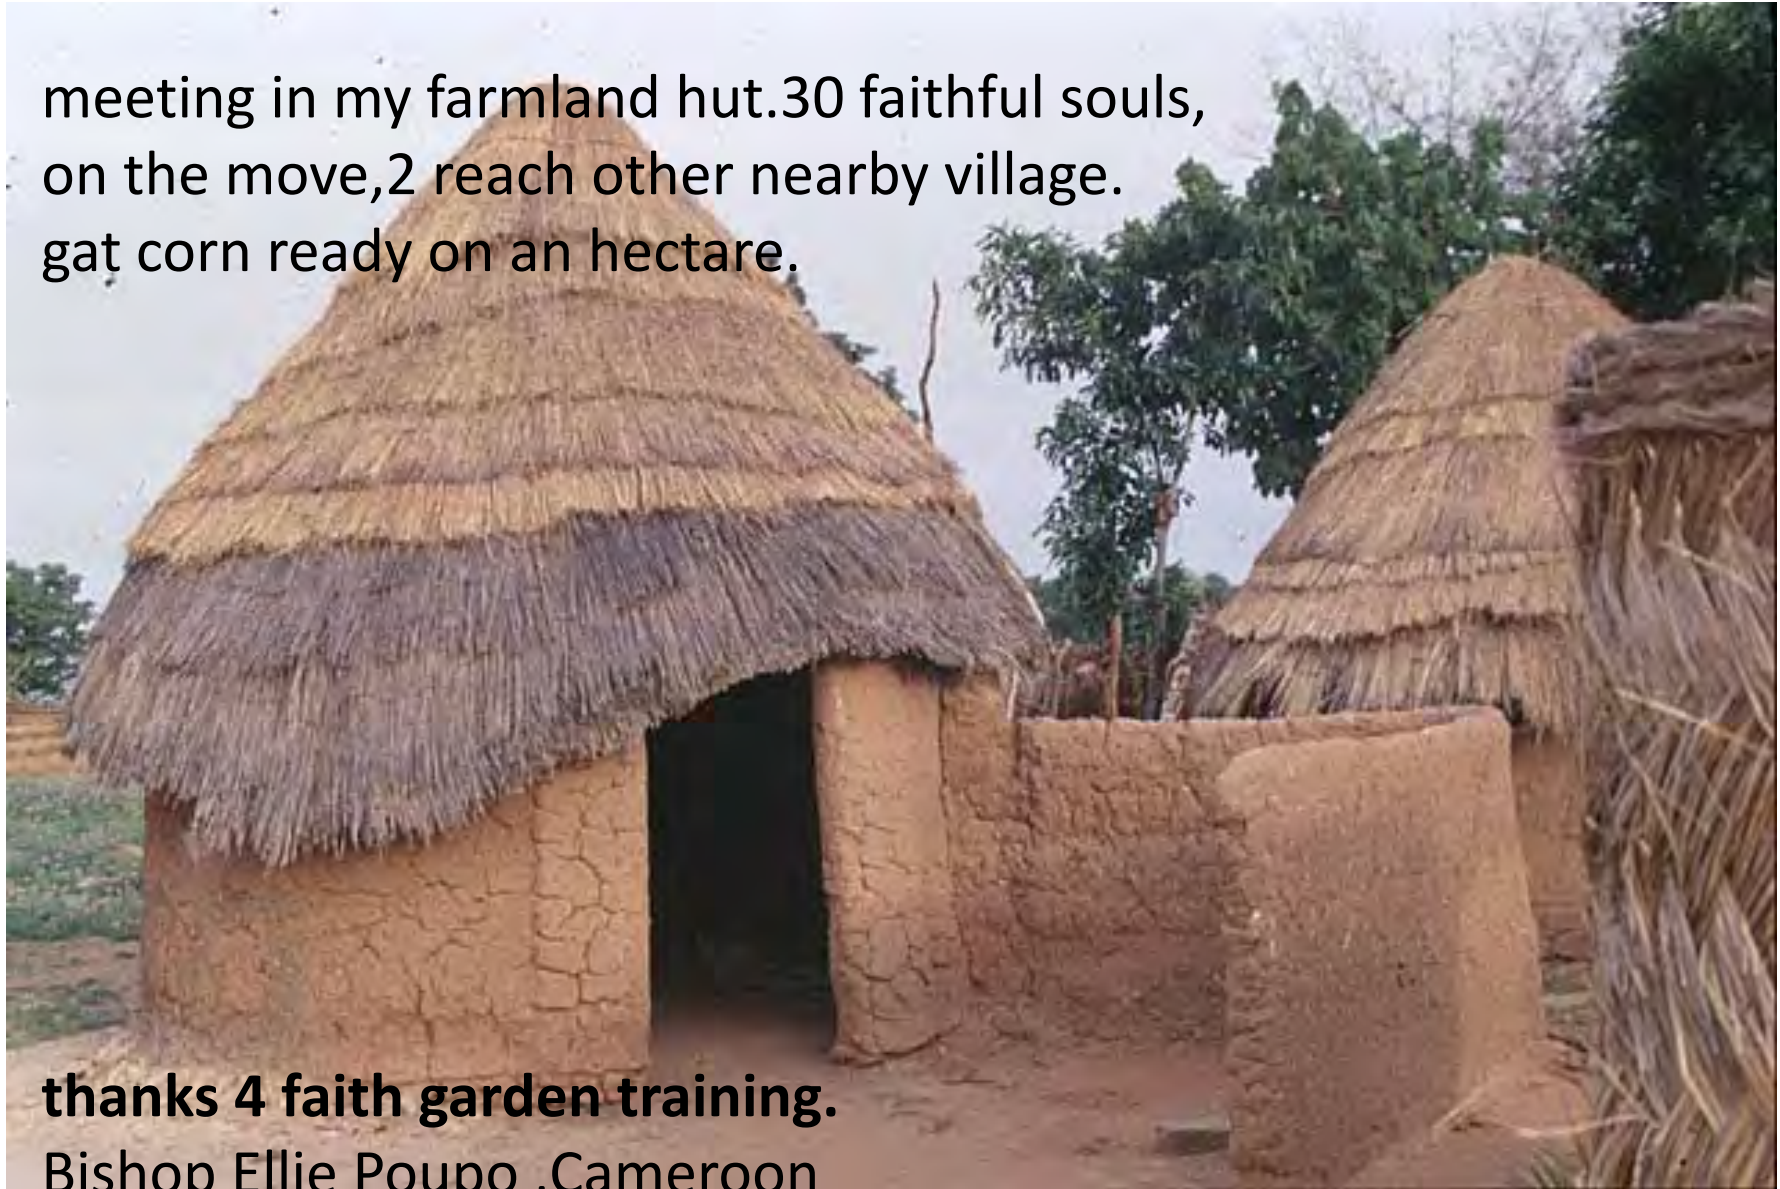

Containers do work
