# Africa WASH & Disabilities Study

Nate Kamban, Project Manager

# Mali Water & Disability Study

#### Objective

 Examine issues of access to and use of clean water and sanitation facilities by persons with disabilities

#### Study Facilitation

 Led by faculty and multidisciplinary undergraduate research teams

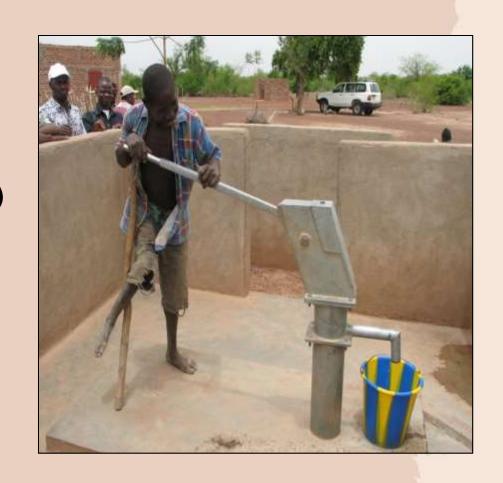

#### Scope

- 15% of global population (WHO)
- 80% live in a developing country (UN)
- 20% of the world's poorest people (UN)
- 90% of children with disabilities do not attend school (UN)
- Christian Commitment

#### **Process**

- Project Sequence
  - Formal survey
  - Focus groups
  - Development of research priorities
  - Research and development
  - Field testing
  - Site visits
  - Final reporting & presentations
    - http://www.messiah.edu/collaboratory/media\_press/documents/hiltonreport\_re ducedsize.pdf

### Outcomes

- Project Outcomes
  - Development & use of a participatory development process
  - Assistive technology development
    - Access and use of hand-pumps
    - Transport and domestic use of water
    - Access and use of latrines

- Guidelines for inclusive WASH initiatives
- Workshop modules

# Outcomes: Pump Modification

## Outcomes: Receptacle Tippers

#### Outcomes: Latrine Seats & Chairs

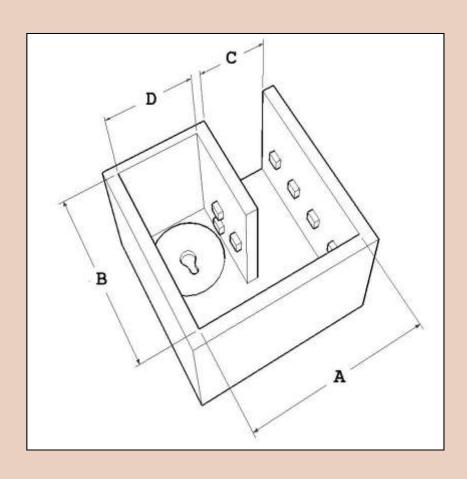

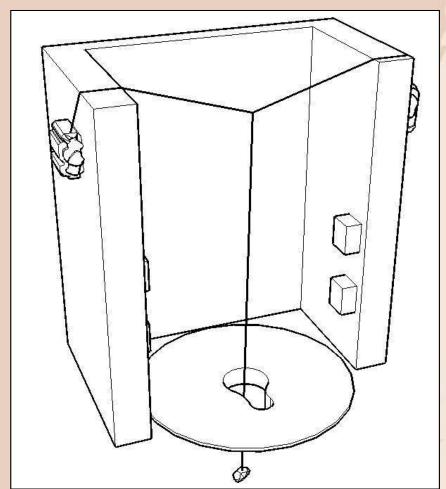

## Outcomes: Latrines

Africa WASH & Disabilities Study (AWDS)

- Objectives
  - Expansion to Niger and Ghana
  - "WASH and Disability" workshops
  - Assistive technology transfer, development and testing
  - Assistive technology dissemination

## **AWDS Workshop**

#### Content

- Disability foundations
- Introduction to inclusive development
- Theology of inclusive development
- Mali case study
- Community visits
- Preliminary technology development
- Inclusive WASH action plans

# AWDS Technology Dissemination Plan

#### Phases

- Artisan selection and training
- Initial field trials
- Evaluation
- Prototype improvements
- Secondary field trials
- Evaluation
- Prototype improvements
- Additional artisan training
- Marketing and dissemination plan development

## **Additional Outcomes**

- Advocacy
  - Community members
  - Development workers
- Reflection of Christian Values
  - Intrinsic value of each human life
  - Restoration of hope and dignity to persons with disabilities

# World Vision Staff Testimonials

# Challenges & Lessons Learned

- **Lessons Learned** 
  - Value of partnerships
  - Value of SLT support
  - WASH, disability & culture
  - Sensitized artisans
  - Inclusive practice in program planning and implementation
